The Directors may create additional classes from time to time in their absolute discretion.

The Net Asset Value of the Fund and the underlying assets of the Fund will be valued in the Base Currency. Exposure to investments which are not denominated in the Base Currency may not be hedged against the Base Currency; however, the Manager will take the possibility of such movements into account in its investment policy.

The Directors are permitted to amend the following investment objectives, policies and restrictions (including any borrowing and hedging powers) applicable to the Fund provided that no material change shall be effected without Shareholders being given a prior opportunity to deal in their Participating Shares. Shareholders will not be required to approve any amendments to the following investment objectives, policies and restrictions (including any borrowing and hedging powers) applicable to the Fund although the Directors reserve the right to seek approval from Shareholders by Extraordinary Resolution in lieu of the provision of a prior opportunity to deal in their Participating Shares if they consider it appropriate to do so.

Investment Objective

The Fund has a total return objective comprising both income return and capital appreciation. The Fund seeks to offer investors a return in excess of the benchmark which is the MSCI World REIT US\$

Index Net Total Return (the "**Benchmark**"), and has a medium to longer-term investment horizon.

Investment Policy

- To achieve the investment objective, the Fund will predominantly invest directly or indirectly in equity or other securities that are backed by real estate property or otherwise issued by companies involved in the developing, letting and managing of properties and listed on any stock exchange or market that is:
 - a full member of the World Federation of Exchanges; or
 - located in any Member State of the European Union or the European Economic Area; or
 - located in any of the following countries: Australia, Canada, New Zealand, Switzerland, United States of America and United Kingdom;

(collectively, the "Principal Exchanges").

- The Fund may also invest in fixed income securities, money market instruments, cash and cash equivalents.
- Investments may be made by the Fund directly or indirectly by investing in listed and unlisted collective investment schemes or Managed Accounts which will, themselves, predominantly invest in the aforementioned investments/securities.
- The Fund will not make use of financial derivative instruments other than for the purpose of efficient portfolio management.
- The Fund cannot guarantee that it will achieve its objective given financial market fluctuations and the other risks to which investments are exposed.

Investment Restrictions

The assets of the Fund shall not be invested in contravention of limits or restrictions imposed under its Articles and disclosed in its Particulars and these Supplemental Particulars; and if the limits or restrictions disclosed in the Particulars and these Supplemental Particulars are more restrictive than those imposed under the Articles, no departure may be made from the limits or restrictions disclosed in the Particulars and these Supplemental Particulars unless written notice is given to Shareholders and the Particulars and/or these Supplemental Particulars are duly amended in accordance with the Rules.

The principal restrictions and limitations are as follows:

- Investment in equity securities issued by companies not listed on a Principal Exchange will be limited to a maximum of 10% of the Net Asset Value of the Fund.
- A maximum of 10% of the Net Asset Value of the Fund, or 120% of the Benchmark weight of a security, whichever is higher, may be invested in transferable securities issued by the same issuer. This does not apply to obligations of, and issues guaranteed by, the US Treasury, US

Agencies, and US Government Sponsored Enterprises – all of which are exempt from this limitation.

- Not less than 90% of the interest-bearing instruments held by the Fund (if any), as measured by their market value, must have a credit rating of “investment grade” by Standard & Poors, Moody’s and/or Fitch.

Collective Investment Schemes and Managed Accounts

- The Fund’s investment in other collective investment schemes will not exceed 20% of its Net Asset Value.
- All collective investment schemes must be Authorised Schemes.
- The Fund may not invest in collective investment schemes that are classified as a fund of funds or a feeder fund unless measures are put in place to prevent double charging of investment management fees on the same assets.
- In the case of Managed Accounts, the Fund shall not allocate more than 50% of its Net Asset Value to any one manager.

The Manager will ensure that the Fund, at the time of any investment purchase, or upon entering into any contract, is not in breach of the above investment restrictions. Accordingly, the Manager shall be under no obligation to dispose of any investments which, following the initial investment, cause the Fund to exceed the above restrictions.

Authorised Schemes

Subject to the investment restrictions, the Fund may invest in “Authorised Schemes”. Authorised Schemes comprise those collective investment schemes, listed or unlisted, which must meet all the criteria below.

- The scheme is operated on similar criteria to those applicable to South African domiciled collective investment schemes in securities and such a scheme may not be classified as a hedge fund (Schemes that are approved by the Financial Sector Conduct Authority to solicit investments in South Africa, provided that they may not be classified as hedge funds, are deemed to meet this criterium.);

Borrowings

The Fund may borrow up to 10% of its net assets on a temporary basis. Such borrowings are permitted only to meet the Fund’s obligations in relation to (i) the administration of the Fund relating to purchase or sale transactions; and/or (ii) the redemption of Participating Shares in the Fund. Borrowings in relation to (i) above are only permitted for a period of up to 8 calendar days, and 61 calendar days in respect of (ii) in order to comply with the South African Financial Sector Conduct Authority requirements and to allow for the Fund to be distributed to South African retail investors.

All costs of borrowing will be for the account of the relevant class.

No borrowing shall be undertaken which exceeds the limits or restrictions laid down in the Articles and these Supplemental Particulars unless written notice is given to Shareholders and the Articles and these Supplemental Particulars are duly amended.

Use of Derivatives

Derivatives shall only be used for efficient portfolio management (i.e. no gearing, leveraging or margining will be allowed). Unlisted derivative instruments will only be allowed for unlisted forward currency, interest rate or exchange rate swap transactions associated with transactions to hedge non-US\$ exposure related to specific underlying securities in the Fund. No uncovered positions will be allowed.

RISK FACTORS

The risk factors which investors should consider before making an investment in the Fund are detailed in the Particulars relating to the Company.

SUBSCRIPTION, REDEMPTION AND CONVERSION OF PARTICIPATING SHARES

Subscriptions

Participating Shares are available for subscription by eligible investors at the Subscription Price per Participating Share. Investors may subscribe for Participating Shares on any Subscription Day in accordance with the procedure set out below under "Application Procedure". Subscriptions in the Fund are subject to acceptance by the Manager.

The Manager may close the Fund to new subscriptions if it determines, in its sole discretion, that the acceptance of further subscriptions is not in the interests of existing Shareholders.

Minimum Subscription

The minimum initial subscription for Participating Shares that will be accepted is as follows:

Class I: US\$1,500,000

Class R: US\$10,000

The Manager may vary these amounts but not so as to require Shareholders to increase their holdings in the Fund. Additional subscriptions may be made in any amounts.

The Manager may waive such minimum subscription thresholds either generally, or on a case by case basis, in its sole discretion.

Application Procedure

The Administrator must receive an application form (prospective shareholders) or clear instruction (existing shareholders) by post, fax or electronic means by no later than 4.00 p.m. Guernsey time on the Business Day prior to the relevant Subscription Day. All applications must include the following information:-

- the amount to be invested, such amount being for not less than the minimum subscription as specified in these Supplemental Particulars under "Minimum Subscription";
- the exact name(s) in which the Participating Shares are to be registered and the name and address to which any correspondence should be sent;
- confirmation that the application has been made in compliance with the Articles and the terms and conditions of these Supplemental Particulars and the Particulars;
- redemption payment instructions; and,
- in the case of a corporate investor, a certified copy of its current authorised signatory list.

All requests received before 4.00 p.m. Guernsey time on a Business Day will be processed on that Business Day. Those received and accepted after that time will be processed the next Business Day.

Issue of Participating Shares and Settlement

Participating Shares are issued upon acceptance of an application for Participating Shares on the condition that cleared payment is received by the Administrator by the third Business Day after the relevant Subscription Day except in the case of a conversion of Participating Shares of one Cell to Participating Shares of another Cell when funds from the redemption of the old Participating Shares will be applied in the purchase of the new Participating Shares.

Notice requiring payment of the Subscription Price shall be deemed to have been made by the Directors with effect from the Subscription Day pursuant to the terms of the application for Participating Shares as provided in this document. In the event that payment is not received by the third Business Day after the Subscription Day (save in respect of conversions as provided above) unless the Manager, in its absolute discretion, agrees otherwise, the Participating Shares shall be forfeited and cancelled without prior notice to the investor at its own cost.

Until cleared payment for the Participating Shares is received from the investor, the Participating Shares are subject to a lien in favour of the Fund. During this period, voting rights and entitlements to dividend payments are suspended, and the investor cannot switch or transfer the Participating Shares. Subscription monies will only be moved to the Fund's account on the third Business Day after the Subscription Day regardless of whether it is received earlier than that date.

Any forfeiture of Participating Shares in accordance with the aforementioned provisions shall include all dividends and distributions declared in respect of such Participating Shares. A forfeited Participating Share shall be deemed to be the property of the Fund and may be sold, re-allotted or otherwise disposed of on such terms as the Directors shall think fit and at any time before a sale or disposition the forfeiture may be cancelled. A person whose Participating Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Participating Shares, but shall notwithstanding the forfeiture remain liable to pay the Fund all monies which at the date of forfeiture were presently payable by him to the Fund in respect of such Participating Shares together with all administrative costs and/or other investment losses incurred by the Fund associated with the forfeiture of the Participating Shares and the Directors may enforce payment by written demand without any allowance for the value of the Participating Shares at the time of forfeiture.

In all cases any money returnable to the investor will be held by the Manager without payment of interest pending receipt of the remittance.

Details of how payments may be made can be found in the relevant application form or, in respect of clear instructions from existing shareholders, shall be sent by email to the investor on the first Business Day following the relevant Dealing Day. The Manager may reject any application or accept an application in part only or treat as valid an application which does not fully comply with the terms and conditions of application. If any application is not accepted, the amount paid on application (if any) will be returned, without interest, by post to the first address given in the application at the applicant's risk and cost. The Manager in its absolute discretion may accept applications for Participating Shares and/or subscription monies on shorter notice periods either generally or in a particular case.

To ensure compliance with statutory and other requirements relating to money laundering the Manager will require verification of identity from any person or corporate entity lodging a completed application form. This information will be kept on file and will only need to be updated should there be any relevant changes made. Any information provided to the Company or the Manager in this context is collected for anti-money laundering compliance purposes only. If within a reasonable period of time following a request for verification of identity, the Manager has not received evidence

satisfactory to it, it may, in its absolute discretion, refuse to allot the Participating Shares applied for in which event application monies will be returned without interest to the account from which such monies were originally debited at the cost and risk of the applicant. Funds remitted by bank draft will be returned by post at the applicant's risk by bank draft to the paying bank without interest, less any charges for the account of the drawer, quoting the applicant's name. References to the "Manager" in this paragraph shall include its nominees and duly appointed agents including, but not limited to, the Administrator.

Each potential investor of Participating Shares will be required in the application form to make appropriate representations and warranties.

Potential investors are referred to the Particulars for details of calculation of Subscription and Redemption Prices and the procedures applicable to the subscription, redemption and conversion of Participating Shares.

The attention of investors is drawn to the Privacy Notice at Appendix 1 to the Particulars which sets out how and why the Company and its service providers process personal data.

Redemption Notice and Procedure

A Shareholder who wishes to redeem all or any part of his holding must give the Administrator notice of his intention by 4.00 p.m. Guernsey time on the Business Day immediately preceding the Relevant Redemption Day for Participating Shares to be redeemed on that Dealing Day. Such a request should clearly identify the holding to be redeemed by including the details as inscribed on the register of Shareholders or the purchase contract reference number or the investor's account number. The Manager in its absolute discretion may accept shorter notice periods for redemption having regard to, among other things, the liquidity of the Fund and the potential disadvantage to other Shareholders. The Redemption Procedure for the Fund is set out in the Particulars.

Conversion Procedure

The Conversion Procedure for the Fund is set out in the Particulars.

Compulsory Redemption

The Directors have resolved that they may at their discretion compulsorily redeem at any time the Participating Shares in the Fund of any investor which, as a result of a redemption of any part of the investor's holding, have a value of less than US\$5,000 in the case of Class R or less than US\$1,500,000 in the case of Class I.

If the Net Asset Value of the Fund or any share class is less than US\$25 million on each Valuation Point falling within a period of 12 consecutive weeks the Directors may on not less than 21 clear days' notice (expiring on a Dealing Day) either compulsorily redeem all the Participating Shares of the Fund or the

share class in issue or convert them into Participating Shares of another Cell or another class of the same Cell.

Participating Shares may be compulsorily redeemed if the holder thereof is deemed by the Directors to be holding such shares in breach of any applicable law or requirement of any country or governmental authority.
